

EMMA

Francois Champsaur

The curved and rounded wooden outside panels surrounding the fully cushioned and upholstered interior allow for a simple and space-saving design. The seating offers excellent comfort, thanks to the cocoon-like shape of the piece.

STRUCTURE

Back in veneer on particles board, arms in bent plywood, base and legs in epoxy metal

SEAT

Seat cushion in high density foam polyurethane and dacron

FINISHING

Upholstered with fabric or leather, base and legs in dark grey epoxy paint, back and arms in natural walnut or stained oak

ARMCHAIR
