

CONE AND PLATE 139

Ceiling light

Materials and colour options:
Powder coated metal, polished brass

Product number:
I39OL-C01-ME01 Black; white reflector; polished brass plate
I39OL-C01-ME02 White; white reflector; polished brass plate

Bulb specification:
E27 max 60 W or LED equivalent

230V IP20

Sizes in mm

For additional colour options please contact Areti

Please note:

Mirrored bulbs reflect a lot of heat back to the lamp holder. Depending on the space around the lamp holder, the heat might build up above the recommended temperature, especially if the heat is trapped when moving upwards. For this reason, the max. wattage indicated does not apply to mirrored bulbs, but to non mirrored bulbs only. If mirrored bulbs are desired, only those with a low wattage (such as LEDs) should be used. The max. wattage for mirrored bulbs is 5 watt LED (equivalent of 40 watt traditional bulb).
