ONE 184

Floor light - Cone, slanted base

Materials and colour options:

Powder coated metal or brushed brass and brass joint

Product number:

I84OL-F03-BR01	Brushed brass structure; white reflector
I84OL-F03-ME01	Black structure; white reflector
I84OL-F03-ME02	White structure; white reflector

Bulb specification:

E27 max 40W or LED equivalent

The standard version is not dimmable; we do however offer the LED dimmer with Trailing edge technology upon request

230V IP20

Standard size cable 2 m

Sizes in mm

Please note:

Mirrored bulbs reflect a lot of heat back to the lamp holder. Depending on the space around the lamp holder, the heat might build up above the recommended temperature, especially if the heat is trapped when moving upwards. For this reason, the max. wattage indicated does not apply to mirrored bulbs, but to non mirrored bulbs only. If mirrored bulbs are desired, only those with a low wattage (such as LEDs) should be used. The max. wattage for mirrored bulbs is 5 watt LED (equivalent of 40 watt traditional bulb).
