

T SERIES 187

Floor light - exterior cuts

Materials and colour options:
Powder coated metal base and cone and brushed brass tube

Product number:
I87OL-F01-ME01 Black base; brass tube; black cone; white reflector
I87OL-F01-ME02 Black base; brass tube; white cone and reflector

Bulb specification:
E27 max 60W or LED equivalent

The standard version is not dimmable; we do however offer an LED dimmer with Trailing edge technology upon request.

Standard size cable 2 m

Sizes in mm

For additional colour options please contact Areti

Please note:

Mirrored bulbs reflect a lot of heat back to the lamp holder. Depending on the space around the lamp holder, the heat might build up above the recommended temperature, especially if the heat is trapped when moving upwards. For this reason, the max. wattage indicated does not apply to mirrored bulbs, but to non mirrored bulbs only. If mirrored bulbs are desired, only those with a low wattage (such as LEDs) should be used. The max. wattage for mirrored bulbs is 5 watt LED (equivalent of 40 watt traditional bulb).
